## 2018 Australian Young Event Horse Championships

The Australian Young Event Horse Championships gives owners and breeders the opportunity to showcase the potential of their four, five and six year-old horses while encouraging them to produce good quality event horses for the future.

Young horses will be asked to complete a test that demonstrates the 3 phases: Dressage, Jumping and Cross Country. The ultimate goal of the Young Event Horse Classes is to choose the young horse that possesses the talent and mind set, and who with proper training, will excel in the uppermost levels of the Eventing world.

The Judges are looking for potential for the future. They are looking for an athletic, elastic moving horse with a promising jumping technique that, with correct training, will develop physically and mentally into a strong upper level mount. The horse's conformation and movement should enable them to withstand the demands of the sport in terms of soundness, speed and stamina. Lack of quality and other defects which may prevent them being fast enough will be penalized, even though he/she may make a nice dressage or show jumping horse.

The class will take place over one day and the winner of each age class will be asked to return to the Arena in the afternoon for the judging of the Australian Young Event Horse Champion.

### Judging format for 4, 5 & 6 year old Young Event Horse
