

Sydney Summer Clinic

Saturday 12 & Sunday 13 January, 2019

The Venue:

- Sydney International Equestrian Centre, Saxony Road, Horsley Park (Just off Wallgrove Road and M7)
- ALL Parking and Camping will be in the North Truck Park (i.e. near the hack arena). Please follow the signs and do not use the south truck park.

Secretary's Office:

- This will be located in the Tent set up in the North Truck Park near the toilets and showers.
- From there you can obtain course maps and back numbers.

What to bring:

- Your back protector and medical armband. Must be worn for cross country training.
- Your back number holder for the afternoon training round. (If you don't have one, please bring safety pins.)
- An approved safety helmet.

Catering

- Drinks, tea/coffee, snacks and sandwiches will be on sale at the Secretary's Office at the North Truck Park. All proceeds towards cross country course development.

What you need to know:

- There will be no refunds for scratching made after the close of entries.
- All competitors must be either members of EA, or a member of Eventing NSW.
- Competitors should be up to date with ambulance subs. We suggest that you should belong to a private health fund.

Stabling

- If you are stabling your horses you can either unload at the main stables or in the north truck park. Your allocated stable will be unlocked. All camping is in the North Truck Park. For those using cabins you may park your float along the stable fence line. Don't forget, your stable must be cleaned out before you leave – if not you will be charged an additional \$77 per stable.
- The stable allocation will be sent to you by Wednesday.
For assistance, please call Jo Faint 0412 907 448 or Rebecca Andrews 0439 309 303

CROSS COUNTRY LESSON & COMPETITION

- You will meet your coach on the cross country training area, across the creek from the North Truck Park.
- Each rider will take part in a two hour group lesson, at either 8am, 10am or 12 noon, then at 2.30pm the cross-country training round will take place. We have tried to comply with your personal requests as much as possible. Please be punctual for your lesson, as we will be running to a tight schedule to get you home at a decent hour.
- The cross-country course will be open for inspection from 8 am Saturday and Sunday. Riders planning to do the competition in the afternoon will need to walk the course at some stage during the morning. If you are in the 12 noon lesson, you won't have time to walk the course after your lesson. The course will be "open flagged" so you can choose the height with which you are most confident. The course will be designed to give the lower levels confidence.
- The cross country round is not a competition, it is purely for training purposes. Your time on course will be recorded and these times will be emailed to you shortly after the clinic.
- To minimize wear and tear on the cross country course so that it remains in excellent condition for competitions we request that you keep off the main galloping tracks wherever possible and follow your coaches' directions.
- Riders must not go on the course without a coach.

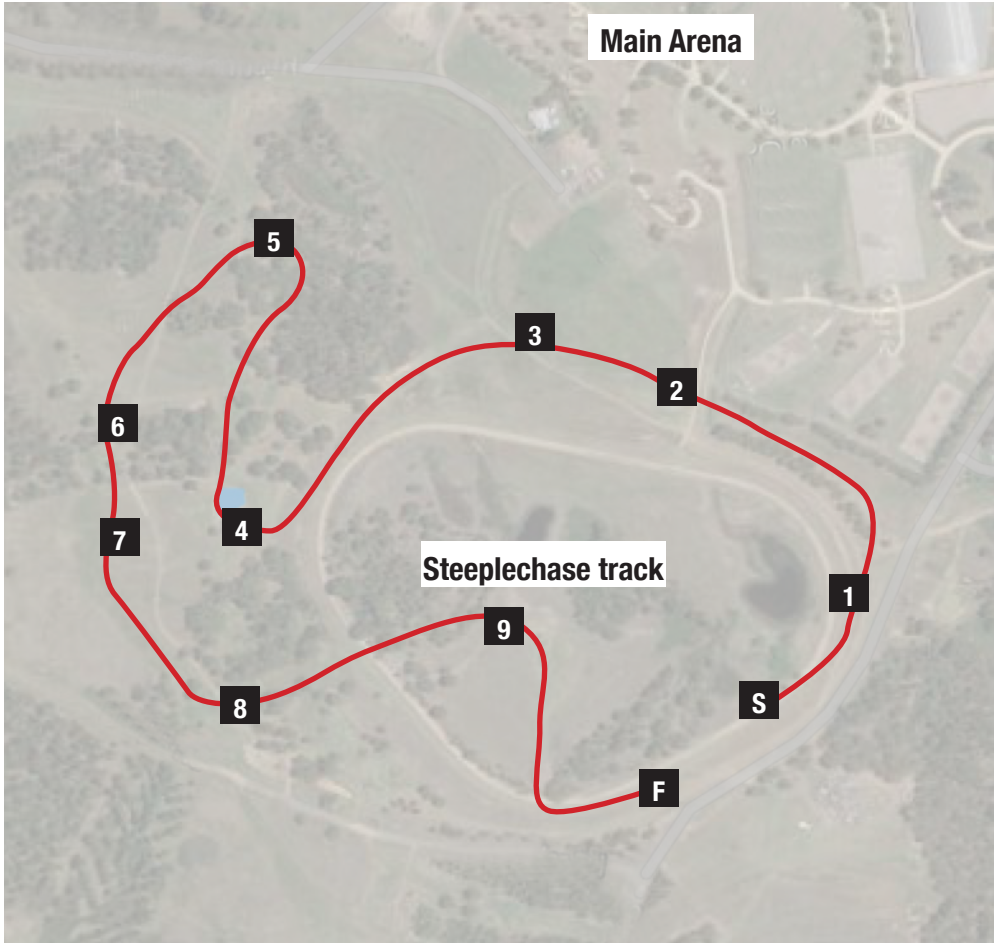

*Thank you for entering and we hope you enjoy your day.
